- 1.1 WHEREAS, the California Transportation Commission (Commission), pursuant to Government Code Section 7 and 14512, may request that the Department of Transportation (Department) perform such work as the Commission deems necessary to carry out its duties and responsibilities; and
- 1.2 WHEREAS, the Commission, pursuant to Government Code Section 14533, is authorized to allocate funds for transportation projects programmed in an adopted State Transportation Improvement Program (STIP); and
- 1.3 WHEREAS, Commission adopted STIP Guidelines allow the programming of non-capital expenditures for transportation demand management (TDM) projects that are a cost-effective substitute for capital expenditures; and
- 1.4 WHEREAS, program requirements have been met by adopting the regional rideshare projects as eligible TDM projects into the STIP; and
- 1.5 WHEREAS, the Commission must allocate funds for each of these rideshare projects before local agencies can be reimbursed for these activities; and
- 1.6 WHEREAS, the delegation of rideshare project allocation authority to the Department would greatly reduce the volume of routine financial transactions submitted to the Commission for approval and increase the efficiency of the Department in the delivery of these funds to local agencies.

- 2.2 BE IT FURTHER RESOLVED, that the Department shall allocate the funds in accordance with the latest Commission adopted STIP Guidelines; and
- 2.3 BE IT FURTHER RESOLVED, that if a rideshare project programmed in the STIP is ready for implementation up to two years early, the Department may advance the allocation; and
- 2.4 BE IT FURTHER RESOLVED, that State-only funding is approved for all rideshare projects; and
